COVID PRECAUTIONS – Masks are OPTIONAL for everyone – students & teachers alike. We will fully support anyone’s choice to wear a mask. Everyone washes hands upon arrival, and before and after snack breaks. The snack break for campers will take place outside weather permitting. We will continue to monitor the COVID situation in our area and reserve the right to make adjustments to safety protocols accordingly.

DROP OFF When the DROP OFF sign is out, we are ready to receive your student. Students may be dropped off at the sidewalk/covered breezeway to walk up to the Education Door on their own or park in the lot and caregivers can escort students to the door. Please only drop off 5 minutes before camp starts. **EARLY DROP OFF** Is available for morning camp students beginning at 8:30am. Students will watch a movie in our Education Lobby until their camp starts. Please park and escort your camper to the Education Door to check in.

SNACK– All camps will take a snack break. WE DO **NOT** HAVE VENDING MACHINES. We encourage you to send snack bags & water bottles LABELLED with your child’s name. Please be aware that many children have very serious nut allergies and can be affected if they breathe near children eating nut-based food or touch the hand of a child who has touched nuts. Please avoid sending food that has nuts of any kind in it.

LUNCH Our Education Lobby is available for students who are taking a morning and an afternoon camp. Students are welcome to stay and have lunch (pack as typical for school) and read a book, or watch a movie until their next camp starts.

CLOTHING Students should dress comfortably – skirts and dresses are not recommended—light layers are ideal. For young campers, please make sure they are in clothes that allow them to successfully undress/redress themselves as needed to go to the bathroom. Campers should wear shoes that remain securely on their feet—NO FLIP-FLOPS OR CLOGS PLEASE!

CURBSIDE PICKUP All campers will be walked out to the car pick up line at the end of their camp. Please line up for your camp pickup no earlier than 5 minutes before your camp end time—we have multiple camps releasing throughout the day and a fairly small area for cars to line up without blocking traffic on Augusta St. Simply park in our lot until it is time to line up. We do not allow students to walk to a parked car without a parent to escort them from the sidewalk.

SHARINGS We will record the end-of-week “sharing” and send parent’s the video link. Our “sharings” are informal performances. Our goal is to engage the students in preparing for the low-pressure performance, without causing undo anxiety, and avoids the need to spend every minute of class time solely repeating rehearsals instead of building skills. The “sharings” will not be highly polished and will be very low tech as our primary goal is to provide a safe and enjoyable camp experience, filled with group interaction and fun.
