TEST DRIVES—Try a Class for Free! For new students only

Wonder if your child will enjoy theatre class? Want to try it out before committing to a 10-week semester? These classes are perfect for you. A chance for new students to meet some of our instructors, see the classrooms and try out activities from a sample class. Students should come in clothes that allow for free movement—skirts can be tricky for movement games. Parents will remain in the classroom during the entire class to observe and handle bathroom breaks with their child.

AUDITION WORKSHOP 3rd-8th

Take your audition game to the next level! Prepare a piece (a short monologue from a play) fully memorized **before** the workshop. Preparing creative choices alone that adequately translate into an audition setting is one of the most difficult hurdles actors must overcome. Students who register by October 11th will be sent a selection of pieces to choose from if you don't know where to find a monologue on your own.

Audition Prep Sat, Oct 28 from 3:30-6pm with Mia Phillips

THEMED WORKSHOPS K5-5th

If you're in need of a date night downtown or maybe just some grown-up time to stream your own movie or get uninterrupted work done, just drop the kids off at the South Carolina Children's Theatre and let them enjoy a fun evening of their own! We'll start the night with drama activities for a wide range of ages and experience levels, and then we'll play crafts, enjoy a snack of milk and cookies* and snuggle down for the evening to watch a movie. Make sure they have their favorite blankets and pillows—we hope to have them in sleepy-mode by the time you pick them up.

*Standard supermarket cookies and regular milk will be provided. Please supply your own snack if food allergies are a concern.

GREENVILLE COUNTY SCHOOLS WORKDAY WORKSHOPS K5-5th

So... Mom and Dad don't have a break even though your school does. Come to SCCT and play with us! Games and activities are designed to keep students engaged and entertained with exercises and activities used in our regular session classes exploring group problem solving, being seen and heard in front of an audience, areas of the stage, and character development, etc. These classes are meant to engage the child in a group environment, but are also to allow the parent some guilt free time to get their own work/appointments done. These classes are more general and aren't themed per day, but will allow for a range of ages/interests and may also include craft time.

**Please provide a nut-free snack and beverage as well as a packed lunch for your child.
