THEMED WORKSHOPS K5-5TH

If you need a date night downtown or maybe just some grown-up time to stream your own movie or get uninterrupted work done, just drop the kids off at the South Carolina Children's Theatre and let them enjoy a fun evening! We'll start the night with drama activities for a wide range of ages and experience levels, and then we'll play crafts, enjoy a snack of milk and cookies* and snuggle down for the evening to watch a movie. Make sure they have their favorite blankets and pillows. We hope to have them in sleepy mode when you pick them up. **Standard supermarket cookies and regular milk will be provided. Please supply your own snack if food allergies are a concern.*

GREENVILLE COUNTY SCHOOLS WORKDAY/HOLIDAY WORKSHOPS K5-5TH

So... Mom and Dad don't have a break even though your school does. Come to SCCT and play with us! Games and activities are designed to keep students engaged and entertained, with exercises and activities used in our regular session classes to explore group problem solving, be seen and heard in front of an audience, explore areas of the stage, character development, etc. These classes are meant to engage the child in a group environment but also allow the parent some guilt-free time to complete their own work/appointments. These classes are more general and aren't themed per day, but will allow for a range of ages/interests and may also include craft time.

Please provide a nut-free snack and beverage and a packed lunch for your child.

MASTER CLASS Series: Advanced Theatre Workshops 6TH & up

Workshops for older students & potentially their friends (& parents are welcome to participate too if interested, but not required) with topics to inspire critical thought and answer questions on certain topics. More of a lecture/discussion with area professionals and topics that would be hard to find outside of college setting or a theatre convention.

A "punch card" will be issued to those who enroll (Tuition \$100), allowing the participant five 2-hour workshops over the course of this school year. Everyone who signs up will also be notified of added workshops as they are added throughout the year, and for each date we will confirm planned attendance with a simple sign-up.

Spring dates and topics on our website January 6th.
